A cute book and I love way it can roll.

Such a cute book for our little 2 year old girl. Made very sturdy with a velcro strap that closes the book in the front.

Good book and arrived as described.

Great product

Unfortunately, the book arrived but it was so dirty and beat up that I put it in the trash where it

belonged.

My 3 year old son loves his book. It was a great Christmas gift. It was smaller than expected but still nice.

This was a 2nd birthday gift, and my son really enjoys reading it -- he comes running and quiets right down anytime I ask him if he wants to read it. Good tractor pictures and some animal sounds -- a fun book.

This is a nice board book. Neat how you can feel different things like rough tires, smooth hoods, etc. I likeÃ    That's Not My Tractor: Its Engine Is Too Bumpy (Usborne Touchy Feely)Ã    andÃ    My First Tractor Board Book (My 1st Board Books)Ã    better. This book is kind of small and doesn't have a lot of pages. It's not the "go to" tractor book for my boys.
