# Preston Bailey Flowers: Centerpieces, Place Setting, Ceremonies, And Parties

## Synopsis

Preston Bailey, one of the world's preeminent floral and event designers, presents dozens of his most memorable arrangements. From one of the most renowned floral couturiers and event planners working today comes a rich presentation on the art of flower arranging perfect for home decoration and inspiration and of interest to professionals. In his first single-topic book, Preston Bailey shares his philosophy about flower design, walking the reader through the creation of his highly original floral centerpieces and other arrangements with advice on how to achieve the same results. For each arrangement, Bailey discusses his inspiration and describes the type of flowers used, providing great detail on those he selects for the tables, both for the centerpieces and the place settings. He explains how the flowers influence the mood of each event, and illuminates the role that flowers play in the selection of lighting, table linens, and overall room decor. The arrangements vary from smaller groupings easily replicated at home, to the more elaborate works of art for which Bailey is renowned. Appealing to both the amateur and the professional, Preston Bailey Flowers is an essential and unforgettable addition to the flower-design canon.

## Customer Reviews

Preston Bailey is one of the world's premiere event planners. The author of the best-selling books *Celebrations*, *Preston Bailey's Design for Entertaining*, *Preston Bailey's Fantasy Weddings*, and *Inspirations* and an in-demand lecturer, he frequently appears on *The Early Show*,

Oprah, and Good Morning America, among others. His clients include Oprah Winfrey, Joan Rivers, Matt Lauer, the Riggios, and Donald Trump.

Beautiful pictures. Arrived on time, however, I thought the book would share how to do at least a few of his ideas. Instead, I just received a picture book. Lacked substance. Goes on my coffee table.

One the most creative, amazing and humble talents I ever met. It was a pleasure meeting him in person but his books is a MUST read for every self respecting Host , florist, bride and banquet halls. His influence in my professional and personal life is enormous ... Any event I do - question comes to mind - what would Preston do ?I adore , respect and admire Preston Bailey !

Look- all his books are beautiful. Don't hide them in the bookcase-put them on your sofa or cocktail tables. Well photographed and the most beautiful events you have ever seen. Great seller.

Fast-fast. Thank you.

Inspirational!

good

After looking at the beautiful creation of the center pieces and place setting, I wanted to see more and know more. What was used and why?

The photographs of these beautiful creations are incredible. So many styles, different varieties, color variations -- magnificent tablescapes.Ideas for everyone and every occasion. Looking forward to more of Preston Bailey.

Love this book! Really really amazing!
