Too simple for what I am wanting!

Nice one page spiritual or positive thoughts. Price was great, Cant ask for anything better. The book was used but i got it and looked brand new had a few nicks on the outside but unnoticeable. Pros Price looked brand new marked as used Cons N/A

Every book in these series are Very Important to Christian Faith! As I said on the others - they may look like a youngsters book- I Assure you: They are so True and will make it easy to remember if you are a kid or an Old person! Very educational and devotional!

Great Book. Use it on a daily basis such as my devotional or preparing a lesson plan for my small group.

This is the type of book that will make you think if you allow it to. The book is broken down into thematic little sections, each having an accompanying verse, title theme, expansion/explanation, and an afterthought encouraging you to reflect on the idea. This may not be anything new for inspirational books of this like, but I felt it worked well. I always say--if it ain't broke don't fix it. While reading I wrote a journal of what I felt some of the more important ideas were. This helped me mentally prepare for an upcoming season (I coach). Even for someone who isn't a religious fundamentalist, which I am far from, this book provides quality ideas to ponder on if you are good at creating your own analogies and metaphors. I recommend it to anyone in a leadership position.

Take the time to read this book! You will begin to make positive changes in your life from the inside out!
