of seeing powerful results when you minister to others.

Smith Wigglesworth (1859-1947), known as the Apostle of Faith, had an international evangelistic and healing ministry. A plumber by trade, Wigglesworth's life changed dramatically when, at age forty-eight, he was baptized in the Holy Spirit and anointed with power for preaching and healing. Signs and wonders characterized his ministry. His unquenchable faith inspired thousands to receive salvation, healing, and the filling of the Holy Spirit.

Smith Wigglesworth was recommended to me by my Sister and best friend. We share devotional that we feel meet religious beliefs. This particular book, is very good for reading before starting your day. His life had always been to tell people he met, about God. Upon meeting and marrying his wife, who educated him with reading writing and preaching the Word, he began his ministry of reaching, not only his local community, but began traveling through out the world as more and more people heard about what he knew about Our Lord Jesus Christ. At the same time, he began with the help again, of his Ministering wife, writing down his sermons and thoughts and published them. Preacher Wigglesworth and his wife, traveled, talking to as many as invited them to speak in as many cities, towns and countries as they had the time and was able to get to them. As his health began to fail, the traveling slowed, but not the book writing. I would really suggest anyone wanting to find out what a child from early years, turned Preacher, had to say about the Saving Grace of our Lord Jesus Christ, get this or any one of Smith Wigglesworth's Books. Find a quiet place and read.

WOW! The most powerful and excellent devotional I have read. God taught me things through his word and the words in the pages of this devotional. I highlighted throughout my copy and starting over through it again because it is that rich and good. I went on the website to see if there was a volume two that would follow this one, but there wasn't but that's okay cause I know that just like the bible scriptures as I read through it the second time there will be different things that will stand out to me as God teaches me more. Smith Wigglesworth is an awesome man of God and all his books are just as great. He doesn't beat around the bush (so to speak) but tells it like it is and as the Holy Spirit gave him the words to speak. Highly recommend this devotional to all and if I could have I would have given it 10 stars not just the five.

I have read and given away this devotional. I recommend it Highly. To the reviews saying there isn't enough scripture or Jesus being mentioned...they didn't read the devotional. He has you reading

sometimes whole chapters of New Testament scripture referring directly to Jesus. He then spurs you on to believe what you read instead of just reading it and not applying it to your life. His giftings were geared towards healing. However he never left the solid ground of Jesus and Him crucified. He was an evangelist and a profound biblically sound teacher of the word. This is a compilation of many of his books broken down in daily bite size chunks. I almost listened to the bad reviews on here but I am blessed the Holy Spirit prompted me to get it.

Very, real, deep challenging devotionals. God is still alive and active in our World today. God is waiting His church, Christ's body on earth to really surrender to Him so He can work through us powerfully so that His Kingdom can come to a needy world!

This the 5th devotional I've purchased. My first one I wore out over the past 14 years and the others I gave as gifts. Smith Wigglesworth is the last true apostle walking in the 'power' of Christ. If you long for the Bible reality in your life, get this devotional. "Thanks to his granddaughters for putting this together."

This purchase was a replacement for a five-year old copy that became dog-eared and started shedding pages from July 13 outward. The scripture says "I will awaken the dawn" and for several years before the sun rises this book, the Bible and the Holy Spirit have been my early morning companions. For the serious disciple who earnestly desires to be found IN HIM and know him and the power of His resurrection. Devotions that challenge the believer to become a follower of those who follow Jesus in signs and wonders. His stories of turn-of-the century revival that spread through the earth provide inspiration; His stories of practical application of the faith that moves mountains encourage all to forget what is behind and press toward the mark, the prize of the upward call of Jesus - Today. Every Day.

I'm very selective with my reading and from whom I take advice. My desire to learn to walk by The Spirit has led me to trust a great man of God who has clearly already walked that path. I have received great insight into the Word of God by following the devotionals of Smith Wigglesworth. As I take hold of these truths in my heart and apply them to my life, I am richly blessed by the maturing fruits of my walk, and I pray that my Lord is honored by how I am being transformed.

I was introduced by a good friend of mine whom I trust completely and find that Smith

Wigglesworths devotional is exactly what I was looking for! His words talk to my heart and reveals greater understanding of my walk with my God. Which gives me a greater peace each day and its many obstacles we all must go thru. I am wowed!!! The simplistic way he uses his words, makes the point explode into reality that I can comprehend... Thank you, Mr. Wigglesworth, for loving us thru our God!
