## Customer Reviews

This has got to be the worst "book" I've tried. It has nothing to do with Weight Watchers, it has poor grammar and spelling, and I honestly wondered if it was someone's attempt at a high school term paper. Very appreciative that accepted my return. That's the best I can say about this book.

thank you

It was OK

as a lifetime weight watchers member , I'm apalled at this incredibly poor attempt to cash in on the weight watchers brand. Absolutely no information is included that can't be googled by a third grader ...and a poor translation to boot! , please save your reputation from this type of obvious scam artist.
