Synopsis

Fantasy Books for Kids: The Secret of the Ballet Book (Kids Fantasy Books Ages 9-12, Kids Books Ages 9-12, Children's Ballet Books, Dance Books for Kids, Kids Mystery Books, Kids Books, Children's Books, Books for Girls Ages 6-8 9-12) Would Sierra live to prove she is a famous-ballerina-to-be? Sierra's only hope of saving her ballerina dreams is an ordinary ballet book, or so it seems until a dancer steps out of a page. What's more? Rosella, the ballerina, offers to train Sierra for the audition which might convince her schoolwork-obsessed mum that her daughter is a famous-ballerina-to-be. Sierra cannot believe her luck. Except that Rosella's fate is now in her hands: if she fails to find a way to free Rosella from the magic spells of the witch who trapped her in the book, the dancer will forever have to return to the page within a few hours, whenever she comes out. But even scarier is that if Rosella misses the witch's deadline, she will disappear. And this is just the beginning of Sierra's challenges. Could Sierra overcome them, and succeed at her audition to avoid having to quit ballet school and give up dance? Would she get Rosella out of the ballet book for good? Or would Sierra end up inside the book too? Worse still, disappear? This is a story of striving for what you feel passionate about, whatever that might be. Not only dance fans but also other kids ages 9-12 (as well as kids ages 6-8) who enjoy tales of fantasy and magic, friendship, and mystery will find that this book is for them! This is for my 8 year old granddaughter who love reading and ballet. I read the books before giving them to the kids to make sure they are suitable for their ages. I think this is one she will really enjoy. Good story and an easy read.

My granddaughter who is in third grade and loves dance classes clutched this book to her chest and squealed when she opened it. I think that meant she loved it. LOL

I liked that the girl danced with passion for ballet. I like ballet myself and have toe shoes. I loved the book!

Grand daughter liked this story..

My 9 year old daughter and I just finished reading this book together. It starts off great, but takes a weird turn in the last several chapters. Nothing scary, just odd. I could tell she started to lose interest right around the time I did. Also, this book was clearly written by an English/British author because it has different spellings and phrases, so I had to stop and explain what some of the sentences meant. My daughter is really into dance/ballet, so I thought she would enjoy this book. Not really what I had in mind. Probably won't be recommending to anyone we know.

Eight yr. old granddaughter loved it.

Fantastic.

great read for my granddaughter
