## **Customer Reviews**

Really great book and nice. It includes key information about when different trails open, and had I purchased this sooner, I may have adjusted the dates of my trip. Using websites for travel info is great, but the benefit of using a book is you get a holistic set of recommendations from the same source. A travel guide to help ensure you have an amazing trip... Well worth it! Recommended.

Not a single photo of such a beautiful place, yikes!! I purchased the book hoping to find some photos, but not a single one.

Yellowstone Park should be one of the seven wonders of the world. It is an amazing place and well worth a visit. However it is entirely possible to go there and not see a lot of and to miss the significance of a lot of things in the park if you don't know much about it. For anyone planning a visit

this book is a must have. Telling you all about the history of the place and the sights that should be seen. I would recommend it to anyone.

Yellowstone National Park is a nearly 3,500-sq.-mile wilderness recreation area atop a volcanic hot spot in Wyoming. Yellowstone features dramatic canyons, alpine rivers, lush forests, hot springs and gushing geysers. It's also home to hundreds of animal species, including bears, wolves, bison, elk and antelope. If you want to plan your visit there, do grab this guide for ultimate experience at yellowstone. Amazing guide.

Used this book before visiting Yellowstone for the first time and it help formulate a plan. I can't imagine making the trip again without it!! The place has so much to offer, and this book gives insight into places not to miss. Extremely well written and well researched. Very thorough and full of facts. The format is very friendly. I highly recommend this book for anyone planning on visiting the area!

Very informative helped a lot in planning vacation.

ItÃƒÂ¢Ã  ¬Ã  â„¢s a good guide to know about Yellowstone. ItÃƒÂ¢Ã  ¬Ã  â„¢s very interesting as I read. From this book I got an idea about the mystery of likes and dislikes, stories of the park. ItÃƒÂ¢Ã  ¬Ã  â„¢s a complete guide.

IÃƒÂ¢Ã  ¬Ã  â„¢m amazed by natureÃƒÂ¢Ã  ¬Ã  â„¢s wonders and wildlife. This book gave me insights on Yellowstone. It was an interesting and I was totally into it. I enjoyed reading Yellowstone stories. Though I can find images in internet, it would have been great if author would have included few amazing images in this book.
