You Are Special: Words Of Wisdom For All Ages From A Beloved Neighbor

Synopsis

The beloved host of PBS's Mister Rogers' Neighborhood offers warm words of advice and encouragement, along with reflections on his own childhood. Fred Rogers and his Neighborhood have been a presence in millions of homes for more than twenty-five years, educating, comforting, and influencing three generations of Americans. This compilation of his signature sayings and wise, succinct, straightforward thoughts is organized by themes—such as "Relationships," "Childhood," "Parenthood," and "Communicating"—all enriched by personal memories of growing up. His ability to touch and inspire all kinds of people will make this book of great appeal to his television audiences past and present—and to anyone seeking wise, humane advice on how to get the most out of life.

Producer, magician, writer, puppeteer, minister, husband, father, Fred Rogers started out in children's television thirty years ago. The direction he trailblazed was the "creation of television programming that spoke, with respect, to the concerns of early childhood, not as adults see it but as children feel it." He has received virtually every major award in the television industry for work in his field, and dozens of others from special-interest groups. Fred Rogers lives in Pennsylvania.

This gem of a book contains small bits of wisdom, that together add up to a wonderful guide to loving parenting. It is a compassionate look children's interior lives--their fears, desires, anger, love,

etc., and the most helpful ways a parent can respond to them. It helped me quite a bit in challenging moments of raising my children, and I have just ordered it for my daughter, a new mother.

Good read for those times you need a pick-me-up or some introspection.

For those of us raised on Mr. Roger's Neighborhood this is a walk down memory lane, a book of servings of "comfort food." Reminders of our childhood we can share with the younger generation, perhaps a page or two at bedtime, or as the wee one falls off into an afternoon nap, or other "quiet time" activity... those of us who experienced Mr. Roger's Neighborhood can extract passages to share with our children, nieces and nephews and even grandchildren. We all need to feel special, and Mr. Rogers did that, and in this book continues to proclaim the message.

I have fond childhood memories of watching Mr. Rogers Neighborhood. He made his audience feel loved and accepted and very special. I am glad the shows still air on public television so my children can grow up with him as I did. This book is just the right size for toddler hands and my children love to look at the pictures and talk about what they see.

It's a great book of quotes. It made me think a lot and inspired me to write while I was reading it. I think that it's best read one chapter at a time to let the quotes sink in.

timeless

I love this book!

Mr Rodgers rocks.
