Emergency Guide For Dental Auxiliaries

Synopsis

EMERGENCY GUIDE FOR DENTAL AUXILIARIES, 4E contains the information and instruction needed in order to effectively handle a medical emergency in the dental office. In addition to basic technical instruction, this new edition provides up-to-date information on First Aid techniques, legal concerns, and safety procedures. A new design helps to better illustrate core concepts and increase comprehension. "Emergency Basics" boxes outline the sequence of steps for recognizing a medical emergency as well as action points to assist the patient.

Dr. Debra Jennings obtained her D.M.D. degree from the Medical University of South Carolina in Charleston SC during the class of 1990. With a 21 year experience at Trident Technical College, she has taught in the Dental Hygiene and Expanded Duty Dental Assistant programs. During this time she also taught a clinical course to the first year dental students at MUSC to enhance their knowledge of four-handed dentistry. Before attending the Medical University of South Carolina, Dr. Jennings earned dual degrees from the University of South Carolina in Archeology/Criminal Justice and Biology/Chemistry. Her over 30 years of practical experience in the dental field runs the gamete

from dental hygiene to dentistry. Dr. Jennings' many years of dental, experience places her in the unique position of being at the pulse of modern teaching and dental practices. In addition to teaching, she has authored and edited various texts and articles for the dental community. When not in the academic arena, she volunteers with the Smiles For A Lifetime clinic that services low income and immigrant populations. She is a South Carolina native and has lived in the low county for over 30 years. Central Piedmont Community College, Charlotte, NC

Nice

the book that i received is wrinkle. Overall, it is still good to use.

GREAT book, but not for \$100

Came exactly as described.

The book that I ordered was nice and clean as well as the seller shipped it the next day from the date when I ordered. Thank you.

I had to buy this book for my dental class. The book is very easy, understandable, but it doesn't worth these money.
