# LeBron James: The Children's Book: The Boy Who Became King

## Synopsis

The Boy Who Became King is the inspiring true story of NBA superstar LeBron James. This Fully illustrated picture book biography tells the story of a young boy and his loving, single mother and their struggle to make it on their own. With the help of a coach and his family, LeBron is introduced to the game of basketball. Against all odds, "the kid from Akron" not only makes it to the NBA but becomes a basketball legend who now helps others who are struggling like he and his mother once were. Children's/Kids Picture Book Biography K-6 Be sure to check out the author's latest releases in basketball books for children: Retro Jordan Series Volume 1: "Michael Jordan's Greatest Moments: An Inspirational Coloring Book Biography for Adults and Kids" The greatest moments of Michael Jordan's legendary NBA career told through detailed illustrations, facts, quotes and statistics. Volume 2: "Retro Air Jordan: Shoes: A Detailed Coloring Book for Adults and Kids" Hours of fun coloring and learning about your favorite Air Jordan shoes from the past or designing the new Air Jordan's for the future!

Grade Level: 3 - 7

## Customer Reviews

Author/Illustrator, Anthony Curcio has a B.A. in Social Sciences from Washington State University and is an educational consultant and speaker. Anthony lives in Seattle with his wife and two

daughters.

This children's book about the life of LeBron James, an award winning professional basketball player for the Cleveland Cavaliers, is filled with positive values and heart warming acts of kindness that no doubt helped to shape the life of this exceptional man known as King James. The clever, fun illustrations bring this inspiring story to life. I would recommend this book to parents as a source of encouragement to their children. It is nice to see that even superheroes had to clean their rooms, do chores, and keep up their grades in school. It is also important to see how pursuing a dream takes hard work and persistence. While not every child will grow up to be a champion basketball player, working hard at what one loves and what one excels at, is more likely to pay off than just hoping and wishing to find success some day. Author Steve Groll "Beyond the Dead Forest."

Anthony has managed to take the story of LeBron, complete with his difficult journey to the NBA, and make it engaging for a younger audience! The illustrations were adorable and although short, none of the story was spared. This book would be GREAT for LeBron fans or parents who want to encourage their children to continue to push and succeed -- not allowing their current circumstances to determine their fate! Great job, Anthony!

Good story, what I expected. As a former English teacher, I am always surprised when an editor doesn't catch mistakes for mass publication; though, I catch them. Sloppy.

This was perfect for our 2nd Graders studying biographies and autobiographies. They loved learning about LeBron James.

The illustrations are amazing. Fun children's book about LeBron James. Very inspiring story about his childhood and his talent, goes to show if you stick it out, amazing things can happen.

What an awesome story about LeBron James. This book is a fun and interesting read. I read this book with my 7 year old son ( which love LeBron James and basketball) and he loved it! We both learned a lot about LeBron James. I definitely recommend this book.

Anthony did a great job portraying the life of one of the best basketball players ever. This book is great for kids who enjoy basketball and what to learn about one of their ideals. I would highly

recommend

I love this book. I plan on reading it to my students for our college and career unit. Thanks!
