Customer Reviews

Bought for my kids to use for school, used weekly. Slightly cheaper than the music stores. Arrived fast...

I use this as a supplement to the commonly used Recorder Karate curriculum. My students were motivated to get belts, but most of them were learning the songs by rote instead of reading the notes. Recorder Express provided the much-needed note- and skill- focused learning that will help them to be successful recorder players.

very good product

Love it. Very resourceful with the internet site, with which my kids like to keep their sounds.

Happy with purchase

We had the option of purchasing the book & recorder for my kid to use in school. This is the book they use, and it was quick and easy to find. My kid is really enjoying learning the recorder.

excellent buy

My 4th grade students used this book for the recorder recitals. We loved how it was a mix of classics as well as some songs that are more familiar to them mixed in.
