Customer Reviews

I love this brand of painting books, the pages are sturdy enough to hold up to a four year olds enthusiastic "painting" and they tear out of the book easily so the mess is contained to one sheet at a time. The paint palette is great too, the colors are vibrant although my four year old used it up quickly and we had to buy another set of watercolor paints.

Not enough paint in the post. Only enough for maybe three pictures. Not worth the price

Beautiful pictures with great paint.

Very cute, lots of pages to paint. Daughter loves it.

Arrived in great shape and made my little one's day!!

A little mire graphic than i expected

Good timing and quality
