When A Child Is Born, So Is A Grandmother (Main Street Editions Gift Books)

Synopsis

The warmth and whimsy of Mary Engelbreit's work is even better when shared with a friend--*When a Child Is Born, So Is a Grandmother* is the perfect way to spread the joy. *When a Child Is Born, So Is a Grandmother* makes the perfect gift for the new grandmother or grandma-to-be. Illustrated by the one-and-only Mary Engelbreit and authored by Jan Girando, this book speaks to the very essence of the close bond that grandmothers will forever share with their precious grandchildren. Let Mom and Dad handle the discipline and the scolding and leave grandma to do the cuddling and the holding. One of the most popular pieces of art from America's favorite illustrator is her "When a Child is Born, So Is a Grandmother" image. Featuring that well-known drawing as its centerpiece, this book illustrates the joy and excitement every grandmother feels when their precious grandchild arrives into the world.

Mary Engelbreit's aphorisms and artwork appear on millions of greeting cards and gift products. Her popularity continues to grow through the success of her books, calendars, home decor, stationery, and crafting lines. Her company is based in St. Louis, Missouri.

I really like this book. It is durable. I like that the pages will not be torn out because it is a board book, which mean it will last a long time. I read to my grandbaby regularly. She enjoys the pictures

in the book.

I bought this for my cousin who is having her very first grandchild. I loved it, the graphics and the quotes are just adorable. It is nice to have this in additional copies for wishing a new grandmother well waiting for the arrival of grandkids. It was a small book but still well done. Another addition to our family's Mary Engelbreit book collection. Her work appeals to grown ups as well as children.

This is a gift for a friend who just found out she is going to be a grandma. I love it. The pictures are endearing and a positive encouragement during this exciting time. I'm happy to give this as a thoughtful gift.

When any of my friends becomes a grandmother for the first time I give them a copy of this book and I write in it welcome to our world! They always love it.

I bought this book because I was becoming a grandmother for the first time and very excited about it. It is a cute little book with cute little sayings in it. My husband bought me a Mary Engelbreit calendar for this year and ever since I received that, I have just loved her artwork and wonderful quotes and sayings.

Purchased this for a best friends mother - on her first grand child! She was very thankful...She loves the book!

Cute book for new Granny's!
