# Stick Cat: Cats In The City

## Synopsis

Join Stick Cat and his incomparable sidekick Edith on another dangerous, epic, and hilarious rescue mission in Tom Watson's *Stick Cat: Cats in the City!* With over-the-top fun and humor, this scrumptious story features Tom Watson's trademark laughs, adventure, and hilarious stick-figure drawings, perfect for fans of the *Stick Dog*, *Big Nate*, *Timmy Failure*, and *Diary of a Wimpy Kid* books. Stick Cat is going somewhere he's never been before—his best friend Edith's apartment. It's got everything: donut crumbs in the sink, a fire escape, and a window with a great view of the big city. While admiring the view, Stick Cat sees trouble. Hazel, the bagel maker, is in serious danger in the building across the alley. Stick Cat will use his smarts and Edith's appetite to devise a rescue plan. But can Hazel hang on long enough for this dynamic duo to save her? Even reluctant readers gobble up the *Stick Cat* and *Stick Dog* books!

## Customer Reviews

Tom Watson lives in Chicago with his wife, daughter, and son. He also has a dog, as you could probably guess. The dog is a Labrador-Newfoundland mix. Tom says he looks like a Labrador with a bad perm. He wanted to name the dog "Put Your Shirt On" (please don't ask why), but he

was outvoted by his family. The dog's name is Shadow. Early in his career Tom worked in politics, including a stint as the chief speechwriter for the governor of Ohio. This experience helped him develop the unique, storytelling narrative style of the Stick Dog books. More important, Tom's time in politics made him realize a very important thing: Kids are way smarter than adults. And it's a lot more fun and rewarding to write stories for them than to write speeches for grown-ups.

Clever enough to keep me glued to the book and whimsical enough to win over any young listener. These cats are what Popeye and Olive Oil were to comic books. They play each other like only cats can and their impossible antics are due to a very clever, witty and sensitive author. Loved it and you will too.

Good book thanks. Fast delivery and very happy.

Loved this story, as like the Stick Dog series, it's cute, endearing and humorous throughout. Hopefully this series will continue as there are cat lovers out there who will adore it!
