## Rascal (The Puppy Place #4)

## Synopsis

Welcome to the Puppy Place--where every puppy finds a home! Lizzie and Charles Peterson love dogs, especially puppies. So it is perfect that the Petersons are a foster family for young dogs. They will adopt a pet of their own one day, but now they are happy to help puppies find just the right home. The Petersons' newest foster puppy is Rascal. He is a Jack Russell terrier, and his name fits him well. He may be small, but he can cause big trouble. Lizzie and Charles are in for a challenge. Will they be able to find someone who will care for this pesky little puppy?

## Customer Reviews

Ellen Miles loves dogs, which is why she has a great time writing Puppy Place books. And guess what? She loves cats, too! That's why she came up with a brand-new series called Kitty Corner. Ellen lives in Vermont and loves to be outdoors every day, walking, biking, skiing, or swimming, depending on the season. She also loves to read, cook, explore her beautiful state, play with dogs, and hang out with friends and family. Visit her web site at [www.EllenMiles.net](http://www.EllenMiles.net).

My daughter and I read this for her book club. It was a quick read and easy for her. She enjoyed it

and I liked that it teaches kids that not all dogs fit well within any family. Some dogs need active people others are happy to sit around the house most of the time. I think it is neat that each book focuses on a different breed of dog.

My son loves all of the Puppy Place books! It's so wonderful to finally find a good, clean series that I feel comfortable letting him read many of them without me proof reading them. Love this author!

This is a great book 7-9year olds that adore and love puppies much as me!!!!!!!!!!!!!!):):):):)Love ya Ellen MilesPs check out the kitty corner series

My kids love these books! We read them aloud every night.
