# The Escape (John Puller Series)

## Synopsis

David Baldacci is one of the world's most popular, widely read storytellers. In his blockbuster thrillers *Zero Day* and *The Forgotten*, he enthralled readers with John Puller. A combat veteran and special agent with the U.S. Army, Puller is the man they call to investigate the toughest crimes facing the nation. But all his training, all his experience, all his skills will not prepare him for his newest case, one that will force him to hunt down the most formidable and brilliant prey he has ever tracked: his own brother.

**THE ESCAPE** It's a prison unlike any other. Military discipline rules. Its security systems are unmatched. None of its prisoners dream of escaping. They know it's impossible . . . until now. John Puller's older brother, Robert, was convicted of treason and national security crimes. His inexplicable escape from prison makes him the most wanted criminal in the country. Some in the government believe that John Puller represents their best chance at capturing Robert alive, and so Puller must bring in his brother to face justice. But Puller quickly discovers that his brother is pursued by others who don't want him to survive. Puller is in turn pushed into an uneasy, fraught partnership with another agent, who may have an agenda of her own. They dig more deeply into the case together, and Puller finds that not only are her allegiances unclear, but there are troubling details about his brother's conviction . . . and someone out there doesn't want the truth to ever come to light. As the nationwide manhunt for Robert grows more urgent, Puller's masterful skills as an investigator and strengths as a fighter may not be enough to save his brother—or himself.

## Customer Reviews

"Baldacci has crafted another terrific tale with two great protagonists. Just when the story line seems to veer into familiar areas, Baldacci steers it into another shocking direction. This is the best book yet in the series."  
—Associated Press on *King and Maxwell*"David Baldacci's latest thriller is not only highly relevant, it is also well timed. And the details seem so real that it's hard not to wonder if the author is an insider; the tone is that authentic. An absolute page-turner, *King and Maxwell* is Baldacci at the pinnacle of his game."
