Average Customer Review: 4.0 out of 5 stars 2 customer reviews

Best Sellers Rank: #38,800 in Books (See Top 100 in Books) #45 in [Books > Law > Criminal Law > Criminal Procedure](#) #89 in [Books > Textbooks > Law > Criminal Law](#) #113 in [Books > Law > Rules & Procedures](#)

Customer Reviews

Provides a good overview of criminal procedure. One of the better case books that I have had since I started law school because it is just not inundated with cases. This case book provides notes and hypotheticals after each section to highlight important concepts and help you apply the law to different set of facts. The best part of the hypotheticals is that there are references to the actual cases that they are based on.

This was the assigned text for my Crim Pro class. It consists mostly of cases and is easy to follow.
