Vernon Winterton has been cooking in Dutch ovens for thirty years. He is one of the founding members of the Greater Wasatch Dutch Oven Society and served two years as its assistant director. Vernon has competed in Dutch oven cook-offs for ten years, qualifying three times to go to the

world championships. He and his wife, Barbara, also enjoy entering cook-offs on a local level as well.

This is a fantastic book with great recipes in it the jalapeno cheese bread is just one of the best the white chili is also superb as is the creamy parmesan sauce so with more recipes I have not tried yet but that sound so good this is a really great cookbook and I hope you will enjoy it as well as I do.  
Thank you

This was a good book with some nice recipes. They were not "scratch" recipes meaning some ingredients were premade but that works for me. A lot easier especially if you are doing the camping thing. They could be done in the oven but where's the fun in that?

Great product. Fast Ship.

I bought this and a Dutch Oven for camping last summer and they both served me well. This box was very convenient and small and has great recipes for entrees, breads, desserts, you name it. I made my version of Mountainman Breakfast using this book and it was a huge hit with my friends.  
Great book!

Nice

This book has some really, and I mean REALLY, good recipes. I need to spend more time outdoors to try more of them. This was a good purchase that I am glad that I made. I am new to Dutch Oven cooking. The recipes are easy to follow and produce great food. If you are a more seasoned pro at dutch ovens, you may find you don't need this, but for the rest of us... this is really good. I would imagine that there is a lot in here that even the pro could use.

Thanks!

a fantastic dutch oven cookbook...not only do i use this camping but i have used it in the regular oven in recipes also
