# STITCHED TOGETHER (A Quilting Cozy Book 5)

## Synopsis

STITCHED TOGETHER: A Quilting Cozy (Book 5) is the story of Sarah and Charles as they face the many joys and challenges of combining their life styles and households. Both in their seventies, they discover they each have a lifetime of preferences, priorities, and issues which make compromise sometimes difficult and often rewarding. Sophie reluctantly considers a love interest herself, as family and friends pull together to save one of their own who has been charged with murder. This is the fifth book in the Quilting Cozy series, following "Tie Died," "Running Stitches," "Sea Bound," and "Patchwork Connections," and, as always, there are lots of quilting!

## Book Information

## Customer Reviews

I had a feeling about who the culprit was and I was right! But that wasn't the main focus of the story to me, it was rebuilding family ties. I hope David can be healed in the next installment! And what

about Martha and Tim? Hurry with the next book! Funny thing is while I'm reading these books I wish I could learn to quilt, but I never think of it between books.

I was so happy when I found out that Carol Dean Jones had continued her story. I loved it as I had the other four or five that she had written. It is a wonderful read and I hope she will continue with it.

This is another good story by Carol Dean Jones in the Quilting Cozy series. I am really enjoying the characters and I feel like I know them as my friends. This book was not as exciting as the previous and wish it had extended more with the couple moving into their new house. However, it was still a very enjoyable read and I cannot wait to read the next book in this series. I hope you enjoy this series as much as I have.

This is such a delightful series to read. Sarah and Charles are a sweet couple. They're the perfect newly weds! Sarah's friends are fun, especially Sophie. Sophie's new male friend is a great addition. I laughed out loud at some of his "card writing"!

I'm not much of a book reader, but I am enjoying this light suspense series :) I AM a quilter :)

This book is fantastic. It follows the story from the last book. It has mystery, adventure and romance. It was hard to put down because you want to find out what happens next.

I have loved this series and feel like this one was hastily written. There were several typos that looked like spell check choosing the wrong word or spelling. A few inconsistencies and lots of repetitious fluff that was thrown in to fill out a very scanty story. I am so disappointed. Please, more character development and less caricatures.

Very good, so nice to read a well-written story about people in my own age group!
