Steps To Christ

Synopsis

STEPS TO CHRIST By Ellen G. White Preface UPON many ears there fall the words of the gracious invitation, "Come unto Me,"--that call of a compassionate Saviour whose heart of love is drawn out toward all who are wandering away from God; and in the hearts of many, who are really longing for the help to be found in Jesus, there is quickened the purpose to return to the Father's house. With such the inquiry of Thomas is oft repeated, "How can we know the way?" The Father's house seems to be a long way off, and the road appears difficult and uncertain. What are the steps which lead homeward? The title of this book tells its mission. It points to Jesus as the only one who is able to meet the needs of the soul, and directs the feet of the doubting and the halting to "the pathway of peace." It leads the seeker after righteousness and wholeness of character, step by step, along the way of the Christian life, to that fulness of blessing which is found in the complete surrender of self and an unwavering trust in the saving grace and the keeping power of the Friend of sinners. The instruction found in these pages has brought comfort and hope to many a troubled soul, and has enabled many followers of the Master to walk more confidently and more joyfully in the steps of their divine Leader. It is hoped that it may bear the same message to many more who are needing the same help. "There let the way appear Steps up to heaven." So it was with Jacob, when, oppressed with the fear that his sin had cut him off from God, he lay down to rest, and "he dreamed, and behold a ladder set up on the earth, and the top of it reached to heaven." The connection between earth and heaven was thus revealed to him, and words of comfort and hope were spoken to the wanderer by Him who stood at the top of the shadowy stairs. May the heavenly vision be repeated to many as they read this story of the way of life. PUBLISHERS. ---- Windham Press is committed to bringing the lost cultural heritage of ages past into the 21st century through high-quality reproductions of original, classic printed works at affordable prices. This book has been carefully crafted to utilize the original images of antique books rather than error-prone OCR text. This also preserves the work of the original typesetters of these classics, unknown craftsmen who laid out the text, often by hand, of each and every page you will read. Their subtle art involving judgment and interaction with the text is in many ways superior and more human than the mechanical methods utilized today, and gave each book a unique, hand-crafted feel in its

text that connected the reader organically to the art of bindery and book-making. We think these benefits are worth the occasional imperfection resulting from the age of these books at the time of scanning, and their vintage feel provides a connection to the past that goes beyond the mere words of the text.

I would have to say this is the BEST book of all Sister Whites writings, I am so pleased to have a hard copy!

Everyone... please.. if you are reading this it will help open your eyes to the Truth. Thing ive heard and read didnt make any sense, but truly this book has revealed The Love of Father, Jesus, and the Holy Spirit. Read this book have your Bible ready, and brace your self for a huge Dose of Truth. This is a book you will read more than once. Gob Bless you in your searching, Ask and it shall be given, seek and you will find, knock and the door will be opened to you. Ask in faith ask without doubt and He will reveal Himself to you.

This is such a wonderful book. Everyone should read it. If you want a closer walk with Jesus then it's a must! Also the book desire of ages. Your life will be changed by both!

Do you have un-saved loved ones? This book is very spirit filled and really speaks to the heart. If you purchase the book, read it for yourself before giving to someone you have been trying to talk to about the Lord. This book "Steps to Christ" is a real blessing to read. I'm not saying this book will save all people, but there are some people who have turned to Christ after reading this book. This book is a larger version. There are smaller versions of this book with the picture of Christ on the front. I also have some of those that I bought to give out to people.

I keep doubting and having lack of faith with God....I re read this book (because I had to for bible) and I'm glad I did. This answered my heart aches, and I cried with the holy spirit. It was a prayer answered in a weird way. Love this book. It's so good and welcoming to know how important you are to God. Don't doubt him! Ill definitely will read this again.

This is a good guide for those seeking to know Jesus better and to have a closer relationship with Him.

I have read numerous books on how to walk with Jesus. This book follows and has a scripture to back up every thought that was shared. Mrs. White knows the teaching of the Savior. She does not go off on a tangent where the Savior hasn't spoken. If you want help in getting out of yourself and following the Savior then this book will give you the tools you will need to do just that. I am a follower of Christ, of no certain denomination. The entire Bible is about our Savior, Jesus, and there is where you will find Him, especially, the New Testament, and this book will point you there.

This little devotional book outlines 'steps' by which someone who wishes to develop a better relationship with Christ can do so. It introduces us first to a God of love whose desire is to redeem His lost creation. How God's love and grace meet mankind's great need is then told, and the book then tells how the one seeking salvation can develop in his or her spiritual life to build a close communion with a compassionate and caring divine Friend. The book is written in English of the Victorian era, but is easily understood, and even the deepest of spiritual truths are made clear. This book will be a great help to those starting out on a Christian walk, but will equally be a blessing to experienced Christians who want a closer walk with God.
