Firefighter Christmas Complete Series Box Set (A Firefighter Holiday Romance Love Story)

Synopsis

Yes, I get it. I'm a firefighter with the name Blaze. Irony at it's finest I suppose. My job isn't easy, but there are some perks. Like on Christmas night how I was called to the most beautiful girl's house I've ever seen. Too many lights on a too dry of a Christmas tree led me to Sami. Her voice was so calm and gentle; she watched as my crew put out the fire on her family home. "I don't know how we could ever repay you" were the best words I could have heard come out of her mouth. So she took me up on a New Year's Eve party. The night was perfect, until my ex-fiance Lacey showed up. Sami's eyes were filled with fire when she realized who Lacey was. Was my old flame meant to die? Was my new spark supposed to be my future?

Customer Reviews

What a perfect name for a firefighter, Blaze. He meets Sami when he is called to her family's home to put out a fire caused by a Christmas tree. The attraction between the two immediate and she agrees to be his date for a New Years Eve party. Lots of drama when his ex fiance shows up. A sweet romance that is well written with cute characters. I received an advance copy and voluntarily
