Frommer's EasyGuide To Puerto Rico (Easy Guides)

Synopsis

Served by dozens of daily flights from cities all around the world, Puerto Rico is unusually easy to reach, balmy and warm throughout the year, full of fine beaches, pools and golf courses, blessed with historic sights and museums, jammed with good quality lodgings, restaurants and shops -- and inexpensive-to-moderate to enjoy. But instead of drowning the reader in massive descriptions of the places that vacationers use, our author confines himself to a smaller, but still comprehensive, list of preferences -- his own several favorites in every price range. He is John Marino, a distinguished journalist on a San Juan, Puerto Rico, daily newspaper, and no one knows Puerto Rico (including Vieques and Culebra) better than him. Frommer's is proud to have snared such a skilled and experienced observer as the author of our guide to this popular U.S. Commonwealth.

Average Customer Review: 4.3 out of 5 stars 40 customer reviews

Best Sellers Rank: #111,524 in Books (See Top 100 in Books) #5 in [Books > Travel > Caribbean > Puerto Rico](#) #58 in [Books > Travel > Caribbean > General](#)

Customer Reviews

John Marino has written extensively about Puerto Rico and the Caribbean for Reuters, The Washington Post, The New York Times and other publications. He lives in San Juan, Puerto Rico with his wife, Jova, and son, Juan Antonio, who both provided valuable insight for this book.

An ideal guide. I pulled the map out of the back of the book and carried it with me while touring Old San Juan on foot for a short day on a cruise port stop. Combining info I found in the book along with a walking tour I found online - I charted a course for seeing as much of the city as I could. It was a long day but absolutely beautiful. I think I'm in love with Old San Juan and can't wait to go back. The guidebook was a valuable resource while planning my day trip to PR.

My husband and I just got back from Puerto Rico after having stayed at the Copamarina Beach Resort in Guanica and then at the Gallery Inn in Old San Juan. I found the guide helpful, but a little too enthusiastic in its descriptions. The book provides a lot of good information about hotels and restaurants that we might not have found without it. We rented a car to go to Copamarina. For a trip across the island, the map we got from Hertz was much more useful than the one included in the book.

This book is informative and helped us plan our trip to Puerto Rico. We are staying in Rincon and Vieques and got some good travel tips.

The map was helpful, otherwise, we found information to be wrong or outdated- or completely excluded. We got better "inside" information from the front desk of our hotel.

Excited About going to Puerto Rico many ideas on what to do it what to see it is simple and gives many website

Fine guide for first time visitors. The front cover says it all - It includes all destinations you've heard about in a circle of the island, emphasizing San Juan and historical importance areas. The pull out map is very useful, since local maps are hard to find in Puerto Rico. The photos are good, they will whet your appetite for travel outside the cities.

Great book with amazing tips and pictures for our trip to PR.

Good book, however no pictures to enhance the reading.
