Customer Reviews

This miniature study score of Bruckner's Symphony No. 8 appears to be the edition prepared by Robert Haas (though uncredited), which is good if you prefer this edition (which I do). Unfortunately, the quality of the print is very poor, and some pages are nearly illegible. The whole thing looks like a blurry photocopy on light-weight paper made at a do-it-yourself copy shop, complete with coiled binding.

fine. Really a solid, sharp (very sharp!) product. My old serrated product disappeared somewhere, but I wish I'd bought this one years ago. give my parents , feel good . good memory.

Print is too dark! Is very hard to see collapsed half note or whole note,etc. Worst!!!
