Love's Sweet Surrender: The Story Of Jemima Sinclair And Thorne Green (The Elusive Groom Book 6)

Synopsis

Abandoned by her fiancé at Glendive Railway Station, Jemima Sinclair is taken in by Honora Carson to help with her bakery business. Thorne Green wants to marry, but there's not a woman in sight who would suit him. Amazingly, it is a sinister and ruthless plot to take over Glendive, that thrusts Jemima and Thorne together in a fast-paced and thrilling romance. But this mystery plot to kill the mayor is not the only mystery that taxes the town. Honora's husband-to-be is still nowhere to be found, and Honora is beginning to wonder if her hope of his return is nothing more than a wistful dream. The Elusive Groom series follows the incredible journey of Bride-to-be, Honora Carson, in her search for her missing groom. On arrival in Glendive, Montana, as a mail order bride, she is shocked to discover that Titus, her intended, has disappeared without explanation. Honora's determined journey to find him takes her on a roller coaster ride of romance, where she finds herself embroiled in more than one love story along the way, before finally completing her own! Each book in the series is a wonderful standalone story, and also part of a larger story that continues throughout the whole series.

Customer Reviews

I read each book in one sitting and then can't wait for the next book. It is so mysterious a series, and at the same time romantic. Hope she will write more along this line.

Good story, but too short

A lady from Boston had answered an advertisement for a Bride thinking of starting a new life with the man until she met him when she arrived. Loved this as a Lady saw her waiting on the train then taking her home with her to help with the boarding house. Another young man met her and liked her from the start. A must read for those who enjoy historical western romance kindle books from at a special price and from a delightful author who keeps me wondering what next for the characters.

Jemima Sinclair arrives in Glendive a hopeful mail order bride. What she finds is the town drunk. Nora comes to her revue, hiring her to help with her Catering business. She meets the mayor's nephew and sparks fly. The plot against Glendive thickens. Titus is still among the missing. Will Nora ever get her happily ever after?

I loved this book from beginning to end. I couldn't put it down until I finished it. I get frustrated when I have to wait for the next one to come out. Hurry up!

Good book where is the final one is is available. I think you should warn your readers that it is and incomplete story until all 5 books are read and that it is not a stand alone book.

Jemima thought she was going to be a bride for one man and he pure despicable. So what will happen now?. The story is really good and what is the news on Titus?

Love this series of books great reading. Thank you
