D-Day Paratroopers: The British, The Canadian, The French

Synopsis

The very first ground actions linked to the D-Day in France were fought by the *Écorchés* berets, the famous British and Canadian paratroopers of the 6th Airborne Division dropped over the Caen region, but also the lesser-known French SAS who jumped over Brittany the same day to fight a guerilla war. This book offers every detail of these elite soldiers.

Excellent.

Excellent photographs and information. Slightly dated, but a great visual reference.

I paint figures professionally. It's a must have reference painting guide.
