Customer Reviews

Lucy Rosen is a life-long book lover. When she isn't writing or reading, Lucy spends her time working at a large children's media organization in Washington, DC.

Great reading for the 6 year old who loves Transformers!

It followed the series and what my grandson loved.

Bought for my grandson. I understand he has enjoyed immensely, especially at bedime!

My Son enjoys reading it!

My son looks at this over and over -- but the flaps are poor quality so I'm giving it a 4. Too bad this

is the only R.B. flap book

My son loves this book. He received it for his birthday and wants to read it again and again.

I ordered it based on the reviews. Have not shared it with 3 yr old grandson yet but suspect it's too complicated right now. Should have ordered Level 1.

My 3 yr old loves rescue bots and we have read it every night since he got it
