Deborah W. Crisfield is a veteran soccer coach and author of more than thirty books, including *The Everything Kids' Soccer Book, 2nd Edition* and many other sports and reference books. She lives in Summit, NJ.

This is one my son's most treasured books to learn and read for his skills in soccer. The techniques are easy to follow and easily done. He is so much more knowledgeable about the game of soccer

now - non-stop soccer for him! This book answers all the questions that pops up in my son's mind about soccer. It provided him with the strategies & rules to help him improve his game. Further he enjoys the games like Monkey in the Middle and Hot Potato.

Ordered as a gift for a young friend who was beginning soccer. I think it will give him a good, beginning understanding of the game to help him improve.

This was a birthday present for my 8 year old grandson who just started playing soccer. He loves this book and can not put it down.

Great book and well done in terms of writing

My 7 year old started playing football at a local club and sometimes got confused about the rules on the pitch. This book helped him over all grasp the rules and structure of the super game as he was still at novice level on first read! Book is simple and geared towards children with club coaching and regular week end games.

It was exactly what I was looking for, it goes in dept of the game, it is not only for kids anyone can read and learn from the information given in this well organized book.

This was a birthday gift for my 9-year-old granddaughter, who recently started playing soccer & she enjoyed it a lot.

Some have complained about the books "lack of depth," however if you understand that this book has the word "kids" in it and that specifies the targeted audience, you will have no problem. This book manages to cover quite a bit in spite of it's "basic" nature. Earlier this year I had a chance to assist coach and will be returning in the fall and for me (and my older boys) this was an ideal book to get your feet wet on a sport that is rapidly growing in popularity here in the States. Go USMNT and USWNT Soccer teams !!! Go NYRB and Portland Timbers !!!
