Synopsis

In 1946, Hall published a brief book entitled "Atomic Power with God through Prayer and Fasting." The book, which provided detailed information on the methods and benefits of fasting, was an immediate success and brought Hall considerable fame. According to Hall, all of the major evangelists began following his fasting regime and miracles erupted everywhere. Many observers of the early revival years agreed, as one said, "Every one of these men down through the years followed Franklin Hall's method of fasting." He followed this up with "The Fasting Prayer" in 1947. Hall was a combat correspondent in the Pacific during World War II and was the first correspondent to initiate radio broadcast from front lines. --This text refers to an out of print or unavailable edition of this title.

The book makes you believe in the supernatural. It proves why fasting is necessary. Lots of great testimonies are included.

This is a good old school way of fasting which is not taught in Holiness Churches. I found this to be good material for understanding how to fast.

Quite unique this type of Christian principles are no longer taught. Too much emphasis of the worldly gains, spiritual needs are left to all school Christians.

Interesting and enlightening. Very helpful.

I've had a copy of this book before but somehow it was misplaced so I purchased another ...find it very inspirational and helpful about how to go about fasting ...

Replace the book I lost ok
