Phone Home, Persephone! (Myth-O-Mania Book 2)

Synopsis

The story about how Hades kidnapped Persephone when she was picking flowers? Totally false! Zeus made that story up to make himself look better. What else would you expect from a total myth-o-maniac? The truth is, Persephone was trying to escape her overprotective mother, Demeter. King Hades, Ruler of the Underworld, is here to set the record straight.

Customer Reviews

It's been a struggle getting my daughter to read but she has really taken to not only this book but the entire series. For the first time ever she says she can't wait to come home from school so she can read a book!

This is a great funny book. I want to be a teacher and will certainly read these books. It was easy for me to make good predictions . Others should read this series and this book is my favorite so far.

Was a great book. I was so hooked that I could not stop reading it. It is also short. If you are a really

fast reader, you will probably be finished with the book in an hour or less. I begged my parents to let me finish it.

Great series, my daughter loves it!

My 8yrs old boy and 10 yrs old girl LOVE THIS SERIE. They read one book per day, I was hoping they will have enough to read for the whole summer, but they were hooked to the book.
