Product Dimensions: 9 x 6 x 0.6 inches

Shipping Weight: 14.2 ounces (View shipping rates and policies)

Average Customer Review: 5.0 out of 5 stars 1 customer review

Best Sellers Rank: #3,262,518 in Books (See Top 100 in Books) #72 in [Books > Travel > United States > Montana](#) #3955 in [Books > Travel > United States > West > Mountain](#) #6781 in [Books > Sports & Outdoors > Hiking & Camping > Excursion Guides](#)

Customer Reviews

Hiking Montana covers the state from Glacier to the Beartooths. Each hike description includes trailhead directions, best season for the hike, and a map to guide you through some of the most magnificent scenery of Big Sky Country. Falcon published its first hiking guide in 1979, The Hiker's Guide to Montana. It was Bill Schneider's second book on his way to building Falcon Publishing. On the cover was a photo from the first backpacking trip with his 7-year-old son, Russ. Now that Russ is a little older and a professional backpacking guide, they have put together a special anniversary edition of what is now called Hiking Montana. This edition features only the best hikes from the earlier editions throughout the years and only the most updated information on each area. Bill and Russ rehiked most of the 100 best hikes, while checking trailheads and garnering agency input.

I plan the hikes for my Boy Scout Troop and we do a 50 miler each summer. This book is up to date and accurate. We can find the best places with RELIABLE information! Even the forest service can't give us as much information as this book.
