# Full Curl: A Jenny Willson Mystery

## Synopsis

When her park is threatened, warden Jenny Willson takes it very personally. Jenny Willson is a hard-edged, caustic-witted warden from Banff National Park who considers poachers and ladder-climbing bureaucrats equally repulsive and worthy of the same painful fate. Does keeping her promise to protect her park from them mean crossing lines and putting her career at risk? When Willson discovers animals disappearing from Canada's mountain parks, she begins a complex investigation that follows a trail of deceit, distraction, and murder. With a growing list of victims, both animal and human, Willson finds herself in a race for justice that criss-crosses the Canada-U.S. border and pushes her to a place from which she might not return.

## Customer Reviews

This was a great mystery novel and a unique take on the subject. It starts with animal poaching but turns into so much more. (The Book Trail) "Meticulously researched and beautifully rendered, Full Curl is a gripping tale of greed and excess, infused with Dave Butler's love of the Canadian Rockies and rich with the intimate, detailed knowledge of an insider. I'm an instant fan of the butt-kicking Jenny Willson, and I dearly hope Full Curl is only the first of her many adventures. I'd follow Jenny Willson anywhere." (Angie Abdou, author of *Between*) "An intricate, full-throttle thriller told with passion and authenticity. Park Ranger Jenny Willson is a smart, tenacious hero for our times." (Barbara Fradkin, author of *The*

Park Warden Jenny Willson is a modern heroine – tough, smart, irreverent and tenacious. A fascinating foray into the isolated world of park wardens and the lengths needed to protect wildlife from trophy hunters in our sweeping national parks. Butler breathes life and beauty into the western landscape, making this the perfect setting for a spiralling tale of subterfuge and murder in Canada's remote wilderness. (Brenda Chapman, author of the Stonechild and Rouleau Mystery series)
