Payments Tech: A Data-driven Look At Private Company Financing And Exit Activity In The Payments Tech Industry

Synopsis

Based on data gathered by CB Insights, these research briefs provide a data-driven look at private company financing and exit activity in the payments tech industry.CB Insights is the ideal tool for those engaged in private equity, venture capital, corporate development, investment banking, corporate innovation & strategy, angel investment and consulting. Whether it is deal sourcing, due diligence, or market and competitive intelligence, CBI has been created to assist you in discovering the right private company information in the most efficient, comprehensive way. Our proprietary sourcing methods enable CB Insights to track high-value private companies ranging from early-stage companies funded by angel investors, government grants and incubators to private equity and venture capital backed firms to under the radar mid-market private companies. CB Insights tracks companies across sectors and industries covering everything from industrial to internet, manufacturing to mobile and biotech to business services.
