In my opinion, healthy recipe is one with optimal nutrients ratio and without roasting. Instant pot

saves your time and money. Recipes from this book look healthy and tasty. Especially I like beef dishes. Beef with potatoes in 45 mins is my favorite!

I've been transported back into my childhood. I haven't had Beef Stroganoff in ages and I'm so happy that I found this amazing instant pot cookbook. The recipes are super easy to follow and make and Katy Adams comes up with a great, creative variety that inspires you to cook. Thank you!

Awesome! This book will help you to learn how to use Instant pot and make tasty meals. The recipes which are given in this book are very simple and time-saving. The knowledge to prepare some delicious recipes for breakfast, lunch, dinner and even desserts with the use of instant pot makes my life easier. Worth recommending!

Some really good recipes in here - makes the instant pot easier than ever

my grandma used to make these kind of recipes and i haven't tasted nothing like it for years. I found these book and it brought back so much memories, the taste from these recipes is exceptional!

Cannot truly review. Browsed only. Have not cooked anything yet. Noticed several typos but not to the point of causing misunderstanding.
