Treasure My Heart (Kimani Hotties)

Synopsis

The man every woman wants wants her. There are flings, and then there's real life. Minka Gerald, assistant to one of the country's top financiers, is too smart to confuse the two. But a business trip to Miami is the perfect place for a workaholic to let loose, and Oliver's brother to her boss's fiancée is the ideal partner-in-pleasure. And with his heartbreaker reputation, that's as much as she expects. A ladies' man doesn't become a one-woman guy overnight. But once property developer Oliver Bauer has a taste of real connection, he wants more. Outwardly reserved but full of fire, Minka could hold his heart forever. Can he make her believe in him, before an old enemy's quest for revenge puts her safety and their sizzling new love in jeopardy?

Customer Reviews

Oliver finally met his match. Minka didn't know what hit her when he started pursuing her. They fell in love rather quickly but there were plenty of twists and turns to spice things up. Honestly, I want a prequel about Minka's grandmother Zena. She sounds like she's lived a very interesting life.

Altonya Washington Varela disappoints. Minka and Oliver are the classic "a player knows when to quit the game and the girl needs to know I am worthy and can make a player live up to his card." It's a whirlwind affair, drama, and love. This is a recommended read.

I want to give this book a 3.5!!! I enjoyed reading about Oliver and Minka and also catching up...a little...with Vectra and Qasim!

Excellent

This is a great romance book. Can't wait to read the series. Thanks Altonya Washington.

It began slowly but the pace picked up. Great read loved Oliver a player becoming a stable partner. Loved the grandmother she was a character. Loved the ending.

I loved this story. Grandma Zena was the bomb. Mink and Oliver were made for each other. I loved Oliver's father my kind of man.

Altonya Washington has a home run on her hands this is a very good book. That will have you laughing and you will shed a few tears, but all in all the book was well written.
