Essay Hell's 2017-18 Prompts Primer: Strategies For The Common App, UC, Transfer And Other College Application Essays

Synopsis

UPDATED FOR 2017-18!!Students looking for guidance on how to answer the most common prompts for college application essays for 2017-18 can find excellent advice, tips and ideas in this handy primer. This easy-to-use guide provides writing strategies for the essay prompts required by The Common Application, the Coalition for Access application, the University of California and ApplyTexas applications, as well as other popular college prompts. It include tips and ideas for answering the main transfer essays (both Common App and UCs), as well as the most common, shorter supplemental ("supps") essay required by many schools, such as why you are the right fit for a school and your extracurricular interests and activities. It also has a chapter on how to recycle essays. This guide is the perfect companion for writing coach Janine Robinson's other popular book, "Escape Essay Hell!," which helps students brainstorm unique topics for their application essays and write them in a powerful narrative style in 10 fast and easy steps. It also includes a way to get "Escape Essay Hell!" for FREE! Her newest guide, the "Writing Survival Guide," is packed with narrative writing tips, techniques and devices, as well as sample essays. Don't let a poorly conceived, dull essay keep you out of the school of your dreams! It's all about putting the right "spin" on your essay so you can show the world exactly who you are--a unique, smart and insightful student! Finds lots of helpful advice and information on writing standout college application essays at www.EssayHell.com. Author Janine Robinson also provides one-on-one tutoring and editing services to students all over the world. Go to her site for details.

Customer Reviews

The content is decent, you get about 4-6 pages on each Common App prompt etc. as well as advice on writing supplements. It's a bit generic, though, with very few examples. Furthermore, 90% of this book can be found verbatim on the author's website - for free.

Fantastic resource for students & professionals. A must have bookshelf addition! Janine Robinson stylistically has created a step by step college essay writing masterpiece! All of the books she has authored are my go to books during every college admission cycle.

These books were absolutely great for helping my high school senior understand how to write the common application essay. They helped give her direction and along with an interview with Janine made all the difference. Janine and her books really helped alleviate the stress of the application process and the final essay was great!

Very helpful and well organized as well as easy to use. Love the section on UC prompts.

This helped my son get pointed in the right direction - thank you! Great coverage of all of the different prompts

Concise and to the point, very helpful!

Very specific advise for each prompt on the common app. It really helped me to fully understand what to emphasize for each (vague and open-ended) prompt. Much of this advice can also be found on the author's website, but I personally find books easier to follow than digital material. Like most of the author's books, I feel this title is a great compliment to her other books.

"2013" is part of the title for a reason: This guide will dissect all the major prompts for the 2013 year

(UC, Common App), going through every question and advising readers through example essays, do's and don'ts, common pitfalls, tricks, etc. The author even gives us advice on how to recycle essays (super important) and write supplemental essays as well. I'd highly recommend you check out her blog (super helpful tips there). With this price for such a thorough, helpful book (along with her blog if you decide to check it out), you'll definitely be getting a bang for your buck(s)! I'd still buy this if it were three times the price.
