# The Toddler's Bible

## Synopsis

The Toddler's Bible, with a fresh cover and all-new artwork, gives parents an ideal way to begin instilling God's Word into their child's heart. Short stories plus captivating, colorful illustrations make this a keepsake parents and their children will cherish. Geared for infants to three-year-olds, its lessons will make a lasting impression. This perennial best-seller, first published in 1992, is a wonderful introduction to the main events and people in Scripture, including Noah and the flood, Jonah and the whale, Moses and the Ten Commandments, and Jesus' resurrection, plus many more. 101 "bite-size" Bible stories make this book wonderful to use at story time or when tucking a toddler in at night. Developed by noted children's author V. Gilbert Beers, with charming new illustrations by Claudine Gevry.

Grade Level: Preschool and up

## Customer Reviews

PreS-These 99 Bible stories are told simply with words that young children will be able to understand. Mimi Black reads the tales in an engaging voice that draws listeners in. The collection begins with the Old Testament creation story. Children will learn about Noah and the Flood, Jonah and the Whale, Moses and the Ten Commandments, and David and Goliath. The tales come alive in these tellings and may also hold the attention of older listeners. The New Testament begins with the Angel's visit to Mary when she was told she would be the mother of our Lord. Children are taught that Jesus's stories will tell them how to live for God and that, although Jesus was tempted

by Satan, he always obeyed God. The CD concludes with Timothy learning about God at his grandmother's knee. This can serve as an introduction for young listeners.-Mary Lee Bulat, Harwinton Public Library, CT Â (c) Copyright 2013. Library Journals LLC, a wholly owned subsidiary of Media Source, Inc. V. Gilbert Beers has been developing biblical reference books for more than 50 years. He has authored more than 160 books, 125 of which are for children. Gil and his wife, Arlie, live in Elgin, Illinois. They have five children, eleven grandchildren, and three great-grandchildren.

love the pictures

This is good for any toddler because when you're at your Church Service you don't want your toddler to get antsy. If they have their own bible, they can interact with the service as well..even if they can't read because this Toddler's Bible has colorful illustrations.

We all loved it!! The colors are great and really help the little ones get interested, especially a 1 year old!!

great illustrations; short stories so my toddler can pay attention

This is a great toddlers bible. It has lots of stories with pictures that keep my toddler interested.We keep it by our bed and read it often

was looking for a Bible that did not have so many words a 2 year old would lose interest, this one is great good drawings which we have leaned animals with also

The stories were a bit too short that it did not have much learning value fir my son. I probably should have gotten the preschoolers version or beginner's bible. I don't know if it's the way the stories were written or my son is just advanced in terms of compression for his age. The stories are too concise in my opinion. However, I wasn't too devastated because the condition it was in was great. It was practically brand new without the brand new price. I was happy with that aspect of the order. It makes me more confident in purchasing items claiming to be used bit in very good condition.

Great first Bible for a variety of Christian religions, beliefs, etc. They are basic stories of the Bible which can easily be read to or the verbage altered a bit to get the story across.
