# This Is So Not Happening (The He's So/She's So Trilogy)

## Synopsis

Ally and Jake put true love to the test in this “funny and sensitive” conclusion to the He’s So/She’s So trilogy that’s filled “with depth and wit” (>). After their long summer apart, Ally and Jake were hoping for a drama-free senior year. Easier said than done. Chloe is pregnant. And she says that Jake is the father. It was a one-time thing, and Ally and Jake can get through it, right? But Ally’s willingness to make it work is tested when Jake starts blowing her off to go to doctor’s appointments with Chloe, and Ally joins the school play and meets a cute guy. After everything they’ve been through, can Ally and Jake get out of Orchard Hill with their relationship intact? The gossip-fueled action of She’s So Dead to Us and He’s So Not Worth It comes full circle in this can’t-miss conclusion to a popular trilogy.

Story with a great plot twist, who knew this book would keep you up at night constantly reading. Loved this book and the others! Totally giving this books a 5 star rating! Would recommend this book and it's sister books to teen who want a great plot twist.

After the ending of book two ("He's So Not Worth It"), there was absolutely no way I wasn't going to get this book. I loved how well it was written and I was on my seat through the entire book. There were some questions I had after books 1 and 2 but they were answered fabulously after this installment. I really enjoyed this book. Scott is a great author and I have read many of her books. If you're familiar with her writing, you will not be disappointed. If you aren't prepared to read the entire series, you honestly shouldn't pick up the first one. Once you start "She's So..", you aren't going to be able to stop until the last page of this book. Definitely money well spent.

To truly get into this series you have to read all the books in order!! From start to finish each book kept me entertained and wanting to read more. I never saw half the stuff that happened coming and I loved that there were points when I was literally saying out loud oh hell no that did not just happen! I find myself laughing at some points, wanting to cry at other points, and mad and wanting to punch the characters sometimes! But in the end you can't help but love most of the characters and the whole storyline!! I definitely recommend to read all the books in order and you will get caught up in the series. I couldn't stop reading them and found myself buying the next one and the next one as soon as I was done with the last one. Great read!

All three books were amazing and so good. I couldn't stop reading to find out what would happen with ally and Jake. This was the perfect conclusion to the trilogy and I would recommend this series to anyone whose looking for a summer read or someone whose looking for romance and some high school drama. The series was really good and I would definitely reread the books. I love Kieran Scott books an I have all of the private series and I have reread those books a thousands times. Definitely buy the series to these books, you will not regret it.

I loved this trilogy from start to end. Numerous times I found myself in tears, in uncontrollable

laughter and in complete shock and awe at the cliff hangers. I'm so sad that I don't have another he's/she's to read but I'm happy with how the book ended leaving me to imagine the awesome summer they are going to have. GREAT book!

I must say I was a little disappointed with this book. I still really love the writing style but this was a very different kind of book compared with the first and second. I still recommend this serie but I would have wanted another kind of ending to this story.

The first book was very enjoyable but the second kind of rambled on and I didn't really like it but it was all worth it since I got to read the last book-best of the series!!!! I'm sad that they are over!

This has to be the most interesting book I have ever read. I love this book. I am going to recommend it to everyone. Some parts I wanted to cry, some I got really mad at, and then others I was just so happy I found this book!
