# Making Friends: The Art Of Social Networking In Life And Online (Communicating With Confidence)

## Synopsis

With the popularity of social networking sites such as Facebook, young people have more opportunity than ever to connect to peers, keep in touch with friends, and make new online friends. But over the Internet, it can be hard to distinguish true friends from virtual ones. This volume contains fascinating sidebars and informed text that offer readers some practical tips on how to balance online friendships with face-to-face relationships.
