Customer Reviews

Big, bold printing of sheet music - not often the case in music books. Great selection of Celtic pieces, too.

works for me

Handy

Nice, straightforward arrangements and a good selection of tunes. If you want to use the tab though a magnifying glass would help. About the smallest tab I've ever seen although the notation is fine.

I like that it is written in standard notation as well as in tabs, but the print is so very tiny, it is very hard to read either.
