Customer Reviews

I bought this for my mom for Christmas! She loved it, not only did she love the wine theme, but she thought the designs were lovely! What makes it even better is that coloring books like this are great for older adults to keep their brains sharp and fight against alzheimer's which runs in my family. Overall a great purchase for all ages, I'm probably going to order one for myself!

Beautiful yet simple drawings that relax, strengthen focus and create the opportunity for creativity - a glass of wine and some cheese on the side of the colored pencils makes it complete! Cheers!

Gave as a gift. Cool designs. Looks like you need ultra fine pens or pencils if you want to get a good color in.

Bought as a present. Arrived a little shower than normal, but really well liked! Great purchase.

Coming from a wine lover, this book has some awesome pictures that I truly enjoy coloring while I sip.

Birthday gift and she loved the more simple designs

quick shipping, and such a fun idea!
