Insight Guides: Malta

INSIGHT  GUIDES

MALTA

Synopsis

There's so much to see and do in Malta: from the Unesco World Heritage Site of Valetta; to the deep blue lagoon on the uninhabited island of Comino; to the ancient Ggantija temples, which date back to 3,600BC. Get inspired to visit Malta with the new edition of Insight Guide Malta, a comprehensive full-colour guide to this historic country. Inside Insight Guide Malta:
A fully overhauled edition by our expert Malta author.
Highlights of the country's top attractions, including the lively city of Valetta on the main island, to the cultural hub that is Victoria, located on the island of Gozo.
Descriptive region-by-region accounts that cover the two islands that make up Malta, together with all the main sights and attractions.
Detailed, high-quality maps throughout will help you get around and travel tips give you all the essential information for planning a memorable trip to Malta, including our independent selection of the best hotels and restaurants.
About Insight Guides: Insight Guides has over 40 years' experience of publishing high-quality, visual travel guides. We produce around 400 full-colour print guidebooks and maps as well as picture-packed eBooks to meet different travellers' needs. Insight Guides' unique combination of beautiful travel photography and focus on history and culture together create a unique visual reference and planning tool to inspire your next adventure.'Insight Guides has spawned many imitators but is still the best of its type.' - Wanderlust Magazine

Screen Reader: Supported

Enhanced Typesetting: Enabled

Best Sellers Rank: #913,327 Paid in Kindle Store (See Top 100 Paid in Kindle Store) #32

Customer Reviews

The guide is slightly wider than the usual pocket guide format, which made for easier to read text and bigger photos but that will make it harder to fit in a pocket! Guide does a fair job of giving enough detail to plan where to go and what to do. Lots of big photos showing whats on offer and the supporting maps are provided along side the text as the book works it way geographically around the islands. It sensibly doesn't waste much space on 'where to stay' or 'where to eat' because those logistics now well served by user review websites. There is also a decent historical and cultural section to give the background context for your holiday. I reckon it could be a bit improved by having more detail (and less photos) in the suggested 'best of lists' for historical buildings, arts, outdoors activities etc in that upfront section to help guide what you might like to be doing. I was thinking of visiting as part of a larger winter holiday but the guide made malta look like its prime tourism is for european summer sea-side vacations, so i ended up deciding not to visit so I guess the guide did its job of providing me enough information to allow a decision on what to (not) do/see.safe travelsdavid in melbourne australia
