Malta And Gozo, 2nd (Bradt Travel Guide)

Synopsis

Malta has long been known for package holidays but packed into this island nation are 7,000 years of fascinating and visible history. Updated throughout, this new edition delves into Malta's temples and archaeology more comprehensively than any other guidebook. It also showcases bird watching and wildlife opportunities, summer festas, and the less commercialized islands of Gozo and Comino

Average Customer Review: 4.3 out of 5 stars 9 customer reviews

Best Sellers Rank: #1,475,592 in Books (See Top 100 in Books) #30 in Books > Travel > Europe > Malta #2130 in Books > Travel > Europe > General

Customer Reviews

“Juliet Rix has an excellent grasp of the island's history, and her prose is accompanied by a broad range of suggestions for possible activities.” — Daily Telegraph
“Juliet Rix makes a compelling case for the idea that Malta, which has languished under the lucrative, if unappealing, blanket of mass tourism, should be recognized as an important destination for the traveler seeking a solid sense of history, and even prehistory, and the cultural artifacts and fascinating sites history bequeaths.” — Daily Telegraph

Juliet Rix has been a journalist for 25 years. She has worked for the BBC, The Guardian, The Times, The Telegraph and The Independent. She has travelled extensively throughout Malta. Juliet recently won second place in the Malta Travel Awards global magazine category.

We found it full of in depth information written and organized in an easy to follow and understand style. It addressed our interests about the history and culture without requiring us to plod through

too many ratings of lodging and dining, which would have been out of date anyway.

This was better than the lonely planet which was outdated. The information on some sights was slightly off but the author was honest in saying that things were changeable due to construction etc. The city tour of Valletta was useful as I just put it on my Kindle and walk around, pulling it out as needed. The history section was invaluable for me to understand the islands.

Two friend and I had a wonderful time here! Very nice people, sites older than Egypt's pyramids, beautiful hotel at waterside. Can't say enough; you'd love it! Ellen, USA, MA

The only guide you'll need. Very comprehensive, with just enough personal opinion to keep it interesting and lively, without detracting from its usefulness.

We really find this small book very useful. Well balanced regarding details for every-day life, culture and leisure.

Comprehensive and well written. Good info for my upcoming trip! Some nice photos. Excellent history and background for this intriguing island.

Good book, well organized. Detailed information but not too detailed. Learned a lot about the history that goes back centuries.

The best of the best of the new guidebooks on Malta and Gozo. Excellent coverage in all areas of touristic interest. Go for it.
