Customer Reviews

love this poetry book. I read it almost every night.. it's split into sections of how you're feeling at the time.. "if you're heartbroken, if you're sad.." Love it.

This book is so beautiful and I'm glad I bought a copy! It's a book that I can finally relate to so it's definitely going to stay on my shelf!

This is a very fast read. Some of these poems were so well written I had to read them several times. I definitely recommend this!

Overall this is a good book. The poetry is broken down into sections based on subject, which makes

it nice if you're looking for certain topics. I ended up skipping a couple of sections because I just couldn't get into them. I'd recommend it!

It was a nice read before bed time (go figure from the title.) I'm glad I bought it.

Loved this book! All the poems were beautifully written.

Just as listed
