Tokyo Ghoul, Vol. 11

Synopsis

Ghouls live among us, the same as normal people in every way—except for their craving for human flesh. Ken Kaneki is an ordinary college student until a violent encounter turns him into the first half-human half-Ghoul hybrid. Trapped between two worlds, he must survive Ghoul turf wars, learn more about Ghoul society and master his new powers. Amid clashes between Ghouls and the Commission of Counter Ghoul investigators at Doctor Kanto's underground facility, Kaneki finds himself locked in battle with Special Class Ghoul investigator Yukinori Shinohara. When the battle subsides, the CCG discovers shocking evidence that leads them closer to discovering the truth behind Kanto's sinister plans.

Customer Reviews

Sui Ishida was born in Fukuoka, Japan. He is the author of Tokyo Ghoul and several Tokyo Ghoul one-shots, including one that won him second place in the Weekly Young Jump 113th Grand Prix award in 2010. Tokyo Ghoul began serialization in Weekly Young Jump in 2011 and was adapted into an anime series in 2014.

~4/5We get a little history here between Shiro and Kuro, and their surprising relation to Juzo. They're all rather messed up, though I kind of feel bad for Shiro and Kuro. Most of this was done to them, even if they maybe agreed at the beginning. Now, they only have each other. We also see what has become of Ken. He seems to have reached a breaking point, and he's even more different

now. Apparently his decision to only eat and hunt ghouls has changed him, and he doesn't even know himself anymore. We also get some glimpses of some other characters, and some plot lines moving in the background. Among that, we see a relationship development between Amon and Mado. She usually stays rather stoic and doesn't give anything away, and doesn't have any outside-work relations, but she reveals some deeper feelings here. They have an odd relationship, to say the least. Violence galor, Ken seems to have snapped and is trying to come back from it. There's an interesting reprieve where Ken and Hinami meet an author they like, though I'm sure more will come of it. We're getting ever closer to the end, and I'm intrigued by all of it. [More of my reviews are available on my blog, Geeky Reading, to which there's a link on my profile.]

The book came in perfect condition. This particular volume keeps you on the edge of your seat wanting more. One of my favorite series

Some of translations are distracting, especially with the names. As I was reading I couldn't help but notice these mistakes, for one instance "Kaneki" was spelled "Kanaki" twice. Viz media please do not repeat this same mistake. As for the volume itself, the content is excellent, perhaps the craziest one yet.

My son loves reading this manga! My son loves reading this manga!

Love Tokyo Ghoul and love these books

Item as described.

nice

Awesome read!
