Synopsis

Carine MacKenzie's 150th Book. With one story a day this book will give you enough Bible stories to last all year. There is also an opportunity to track a theme such as Salvation; The Holy Spirit; God's Word and by looking out for the key picture as you flick through the book. Be sure to remember that this book is not about how fast or slow you read, or how many days you spend going through it. This book is about discovering the good news about Jesus Christ from Genesis to Revelation. You can also make a special friend, Jesus Christ, the true Saviour. He is with his people always no matter what time of day or what month of the year it is. God's word is true always. Read it and learn from it and follow it all the days of your life.

Carine MacKenzie's talent for retelling Bible stories has meant that children from all over the world have been given the opportunity to discover Jesus Christ for themselves. Carine's 150th book 365 Great Bible Stories was released in July 2011. She has sales of several million books and lives in Inverness, Scotland.

Awesome little Bible. The stories aren't over exaggerated like most children's bibles. No 2cv for

those who are interested in that.. True to the biblical accounts and perfect for young readers. We love it!

I love this bible story book. I love how she represents the stories as biblically faithful as possible. Also she covers the entire bible and not just the more popular stories which gave my children (2-7 years old) a good overview of the bible. I used it for bible time with my children of different ages. Love it and highly recommend it!

I like this. It would not be my first choice and I feel there are many other great 365 Great Bible Stories books as this. I felt it written a little advance for the ages I was planning to read it to.

We read our bibles through every day as a family. This is the set of stories that we use with the 3-6 yr. olds in our family so they can follow along. Each story is broke down into several stories, and there is a "Think About It" section at the end of each (one page) story that we can discuss with the younger ones.

bought this for my Granddaughter she loves it and it well made I recommend this for all young christians

I love using book for Children's church. There are two teachers that trade off so it's perfect

illustrations are not super exciting, but this storybook is biblically sound, no pictures of God or Jesus.

Good for the children They loved it. The older reads to the younger ones and they love it. I do too. Had something simular when I was a child. The Story of Jesus. I really loved it.
