Customer Reviews

This should be a real episode.

I've read this book countless times to my daughter already. She loves Patrick's reaction to the "Easter Bunny" and how SpongeBob helps Patrick learn all about Easter. It's a fun story! We also enjoyed that there were 2 sheets of stickers at the end of the book. I'm happy with my purchase and would buy again.

The children at our school library just loved this when I read it to them. WHAT TO READ NEXT:

My boys love Spongebob books. I always do a basket with themed books for each month and this was perfect for Easter. I love that it draws the attentions of almost all of my boys and helps them enjoy reading with their favorite character.

Nice little cheap book if your kid loves spongebob.

Good book, I enjoyed it and read it many times. It has to be one of my. Favorite books ever.
