The words of our Lord: "And no one puts new wine into old wineskins; otherwise the new wine will burst the skins and it will be spilled out, and the skins will be ruined. But new wine must be put into fresh wineskins?" (Luke 5:37-38) Whenever the Holy Spirit fills people with "new wine," the structure or organization in which they function must change. Old wineskins rip. New wineskins must be used to hold the additional life and power of God. We have seen this principle in operation throughout the history of the Church. When Martin Luther received revelation from the Holy Spirit concerning faith and grace, the established church in that day was ripped in two and a new denomination under Luther was born. When John Wesley preached with the fire of the Spirit, a new structure, now known as the Methodist denomination, had to be formed. The same process has occurred again and again as great men or women ministered under a fresh anointing of God's Spirit. And, of course, we had seen how thousands of churches have formed over the last fifty years as members received a baptism of the Holy Spirit with various manifestations. A new

wineskin formed each time new wine was poured in. God is pouring new wine into us. Christians all over the world have been crying out to God for a fresh outpouring of His Spirit. Our Lord has never failed His Church. Repeatedly, He has brought powerful spiritual awakenings. Many believe that the last outpouring of God's Spirit that is promised in the Bible (Joel 2:28-29) will soon take place. The time for God to move is at hand. Therefore, we should expect our present wineskins to rip. Jesus taught that it is impossible to pour new wine into an old wineskin without ripping it. There can be no mighty spiritual awakening in our day without a great shaking of our Church organizations, leaders, and structures. If you are looking for the Second Coming of Jesus, or if you are praying to God to move upon your church, your city, your local schools, your family, or your own heart, then the first thing you must look for is a new wineskin. How will the present wineskin of the Church be changed? We cannot expect to know the same power of the Holy Spirit that the New Testament believers experienced unless we have wineskins similar to theirs. One of the major changes will have to do with the full operation of what we call the five ministry gifts: apostle, prophet, evangelist, pastor, and teacher (Eph. 4:11). Many Christians have thought that the apostle and prophet were only for the New Testament times, but that is wrong. Ephesians 4:11-13 tells us that all five of these gifts were given by God to the Church *until we all attain to the unity of the faith, and of the knowledge of the Son of God, to a mature man, to the measure of the stature which belongs to the fullness of Christ.* The Church will never reach its fullness nor any form of unity until all five ministry gifts are functioning together in the Body of Christ. Today, God is raising up leaders who have these gifts. The Church is now undergoing a major reformation in its structure that will enable it to handle a great outpouring of God's Spirit. This is the reason I have written this book. I want to share with you some of the ways the present organization of the Church is ripping and the new wineskin is being formed. We will look first at the ministry gifts and at other leadership positions are to work in unity and power. Throughout the book I have used the capitalized word Church to refer to the whole Body of Christ, which is made up of all those throughout the world who believe in Jesus. The word church, with lower case *c*, will refer to any local group of Christians who gather regularly for prayer, fellowship, worship and teaching.

Harold R. Eberle has traveled the world and established several schools in developing nations. He has authored over 25 books and oversees Worldcast Ministries and Publishing, which is based in Yakima, WA.

This is a solid foundational book about the Christian church, its movement and five fold ministry and

giftings. It helps you notice how individuals within the body are fitted together for purpose and change -- individually and collectively. Interesting, solid work. Good. Second purchase.

If you want to see the Church of Scripture, the Church that God established on Earth that we chose to change, this is the road map back. This is what many theologians will not address. Too many denominational leaders are too fearful to give up control of what they have.(If it didn't matter who would be in charge we could get a lot done) Church has become a preference more than a conviction. If you want to know how to bring the total church together on earth this is your guide. Lets put the Body of Christ back together. " This do in RE-MEMBERING ME (Rememberance of Me)"

For years I have been concerned with the non-biblical traditions that have pervaded the modern day church. The church has built doctrine after doctrine on traditions created by men. This book takes a fresh look at the church today and exposes the more biblical structure that God has ordained for the church. It is a challenge to read and accept the concepts that the author puts forth. The biblical foundations of this book are real and appear to be right on. This should be required reading for all church leaders.

Okay.

excellent read

This book is absolutely amazing. What a ministry to have this book in my Spiritual library.

This is the first book I have ever read by Harold Eberle. I ordered it after it was mentioned by another author in a book I was reading. For years I have prayed that the church would allow Jesus to take His place as The Head of His church not just in theory but in practice. This book gives me hope that it could actually happen! Harold Eberle has amazing insight.

Great and thought provoking.
