Who doesn't love learning new recipes!

A lot of great recipes. Wish it had pictures.

This book is for you if you want a variety of recipes and helpful tips for surviving the post-surgery phase. This was a very interesting and informative book. The author did a lot of research on the subject and the book is well written. I have found easy to follow cooking instructions, nutrition info, and many more things. Tells about the weight loss surgery, diet change plan etc.

The book "GASTRIC SLEEVE COOKBOOK" is an awesome book. It is really interesting and useful book. This is simply super I love this book. This book has many delicious recipes. I learn lots of delicious recipes from this book. I would like to thank the author SELENA LANCASTER for given this book thanks. This book is highly recommended.

There are a lot of different delicious recipes in here. If you're looking for inspiration at the dinner table I highly recommend trying out the recipes in here

It is a big improvement in my health that I follow this gastric sleeve cookbook for breakfast. I have a garden in my backyard that contains a lot of fruits and veggies to add in my diet. Since sugar is out of my diet, gastric sleeve cookbook provided me a low sugar diet that cannot cause me into harm since my stomach is still sensitive in some preservatives. Food will give you strength in all day long and this breakfast gave me more energy!

I was presently surprised by this cookbook! What an amazing cookbook and its really helpful. Everything in this cookbook is useful, informational, entertaining, and delicious! Those recipes can be easily prepared. Fantastic book!

I read this book and felt that all recipes in this book are completed with details regarding cooking time, ingredients, direction, serving information and full nutritional content
