Waistcoats & Weaponry (Finishing School)

Synopsis

Class is back in session....Sophronia continues her second year at finishing school in style--with a steel-bladed fan secreted in the folds of her ball gown, of course. Such a fashionable choice of weapon comes in handy when Sophronia, her best friend Dimity, sweet sootie Soap, and the charming Lord Felix Mersey hijack a suspiciously empty train to return their chum Sidheag to her werewolf pack in Scotland. But when Sophronia discovers they are being trailed by a dirigible of Picklemen and flywaymen, she unearths a plot that threatens to throw all of London into chaos. With her friends in mortal danger, Sophronia must sacrifice what she holds most dear--her freedom. Gather your poison, your steel-tipped quill, and the rest of your school supplies and join Mademoiselle Geraldine's proper young killing machines in the third rousing installment in the New York Times bestselling Finishing School series by steampunk author Gail Carriger.

Customer Reviews

Gr 6 Up - Sophronia Temminick and her friends once again face adventure and mystery in Carriger's Victorian steampunk, fantasy mash-up. Sophronia is going home for a ball in honor of her brother's wedding. Her biggest concern should be practicing her etiquette and the use of her fan as a weapon. Instead, she's worried about her friend Sidheagh, whose family of werewolves are facing exile or perhaps worse. Sidheagh is determined to return home to help her family and Sophronia is just as determined to help her. Soon she and her friends, including Dimity, Soap, and Lord Felix Mersey, are on their way via hot air balloon and train. Along the way they discover a Pickleman plot and the protagonist finds herself torn between friendship and possible love. Carriger's trademark wit and humor are ever-present, and this outing in the "Finishing School" series (Little, Brown) finishes on a more emotional note as the heroine discovers where her heart lies. - Jane Jorgenson, Madison P.L., WI --This text refers to the Hardcover edition.
