I don't know why but published travel info on the Emerald Coast of Florida is hard to find. This book has been great in planning our next vacation. We called a few spots in the book and further

researched some online, and this books seems very current and accurate.

Very helpful.

Great book full of detailed info. My only problem with it is that some of the recommended accommodations have gotten not so great reviews on Trip Advisor. However, in terms of planning where to go and what to see and do, the book will be very helpful.

Great book !!!!

Nice overview of this specific area. I would have rated higher if there were more "quirky" tips. But it is nice to have the basics all consolidated in an easy-to-pack format.

We found this guide to be fairly helpful. We travel lots and expect lots from our guides. It was not 5 star but it was helpful.

ho hum!

Very helpful for our trip!
